Tournament Traveler 2

## TOURNAMENT TRAVELER 2

The Tournament Traveler 2 was designed for coaches, parents and players who want a lightweight and affordable method of recording sporting events and other activities. The Tournament Traveler 2 is an excellent tool for coaching players, developing player recruitment videos and capturing games for parents unable to attend an event or tournament.

The complete tournament traveler kit 2 weighs under 30 pounds and can be used with most cameras – making it very versatile and mobile. It comes with a bag with a shoulder strap, and easily fits into the trunks of most vehicles – making transport easy. We provide 3 packages – giving more versatility to you.
